RE: House Bill 213
Criminal Procedure – Probation before Judgment – Facts Justifying
a Finding of Guilt and Suspension of Sentence
DATE: January 22, 2020
(1/28)
POSITION: Oppose

The Maryland Judiciary opposes House Bill 213. This legislation authorizes the court to stay the entering of judgment, defer further proceedings, and place a defendant on probation subject to reasonable conditions if the court finds facts justifying a finding of guilt. This legislation authorizes the court as a condition of probation to order a person to a term of custodial confinement or imprisonment and may suspend a portion or all of the sentence.

The amendments to Criminal Procedure §6-220(b)(1) of the bill are confusing and seem inconsistent with the requirements of Maryland Rule 4-242 which requires a defendant to plead not guilty, guilty or nolo contendere. The court is not authorized to proceed to disposition without taking a plea authorized by the rules. It is also not clear what problem this bill is designed to address.
