

My name is Eric,

I live in Lancaster, Pennsylvania with my wife, my beautiful 15 month old daughter and our two dogs (Lewis & Mason). I'm an industrial painter working for a great company in Ephrata, Pennsylvania. I love to give back to my community, and to help anyone who needs it if I can. My hobbies include spending time with my family, playing guitar and woodworking.

KRATOM has changed my life! I've been a KRATOM consumer for a little less than 2 years. Before KRATOM I had crippling anxiety and depression. I spent half of my life trying different medications from doctor's, and therapist but nothing ever seemed to help. I came across KRATOM through a friend who said they found salvation in the botanical for their anxiety, and depression. It changed my life! No longer do I suffer from depression and anxiety so bad I couldn't leave the house, I'm able to enjoy life again with my family and see the world with my daughter. KRATOM has given me my joy back into my heart, and without this natural botanical I would end up back in the same doctor shuffle. KRATOM is a wonderful natural tool for people to enrich their lives with and I hope it continues to stay that way. KRATOM has allowed me to continue helping others, and to be the father I've always wanted to be
