Testimony Supporting House Bill 379

February 5, 2020

The Maryland Coalition Against Sexual Assault (MCASA) is a non-profit membership organization that includes the State's seventeen rape crisis centers, law enforcement, mental health and health care providers, attorneys, educators, survivors of sexual violence and other concerned individuals. MCASA includes the Sexual Assault Legal Institute (SALI), a statewide legal services provider for survivors of sexual assault. MCASA represents the unified voice and combined energy of all of its members working to eliminate sexual violence. We urge the Judiciary Committee to report favorably on House Bill 379.

House Bill 379 -- SLAPP Suits

This bill clarifies and supports the exercise of constitutional rights to petition and exercise free speech by amending the law regarding SLAPP Suits – Strategic Lawsuits Against Public Participation. Sexual assault survivors across the country are increasingly facing lawsuits brought to discourage exercising their rights in college sexual misconduct proceedings and related Title IX actions. Some survivors encouraged to speak out about sexual violence by the #MeToo movement have also been met with lawsuits designed to silence them. While not all of these retaliatory suits will qualify as SLAPP suits, some will and HB379 will help discourage this type of litigation abuse.
