**HOUSE BILL 636  
OPPOSE**

### Re: House Bill 636 - Public Safety - Access to Firearms - Storage Requirements

Dear Chair Clippinger and Members of the Judiciary Committee:

On behalf of the National Shooting Sports Foundation, and our industry members located throughout the state of Maryland, I write today to express our opposition to House Bill 636 (“HB 636”) by Delegate Stein and others. HB 636 seeks to prohibit access to a firearm by a minor; prohibit a person from storing or leaving a loaded or unloaded firearm in a location where an unsupervised minor could gain access to the firearm and an unsupervised minor does gain access to the firearm; and imposes penalties on those found to have violated the law.

As the trade association for America’s firearms, ammunition, hunting, and recreational shooting sports industry, the National Shooting Sports Foundation (“NSSF”) seeks to promote, protect, and preserve hunting and the shooting sports. NSSF has a membership of more than 10,000 manufacturers, distributors, firearms retailers, shooting ranges, and sportsmen’s organizations. Our manufacturer members make the firearms used by law-abiding Virginia sportsmen, the U.S. military and law enforcement agencies throughout Maryland.

First and foremost, the National Shooting Sports Foundation supports the legal and responsible use of firearms. There are many minors who are taught the safe and responsible handling of firearms at a young age, and this bill would prevent them from using firearms or even having access to firearms without parental supervision. There are times when a minor would need access to firearms. HB 636 as drafted would prevent a minor’s ability to use a firearm for self-defense in an instance where his or her parent or guardian is not home. Additionally, 16- and 17-year olds are currently able to use firearms for hunting in Maryland without parental supervision. This bill would have a detrimental impact on passing on the great tradition of hunting.

It is for these reasons the National Shooting Sports Foundation opposes House Bill 636 and we would respectfully urge you to vote “NO” should this bill come up for a vote.

Sincerely,

Trevor W. Santos
