IN OPPOSITION TO:

HB1104 – Public Safety – Regulated Firearms - Transfer

Judiciary

March 4, 2020

I am a citizen of Garrett County District 1A, a loving husband and caring father of two. I appear today in OPPOSITION of HB1104.

This bill would not allow victims of domestic abuse to be loaned a regulated firearm for their protection with out making both persons involved into a criminal.

Please focus your time, energy and effort to punish true criminals who break the law and wish to cause others harm. Do not punish law-abiding citizens who are not criminals, but who choose to exercise their Second Amendment Rights as guaranteed by the US Constitution, to NOT BE INFRINGED.

It is for these reasons that I am in opposition of HB1104 and ask that the committee return an unfavorable report.

Sincerely,

Jeffrey Folk
