Re: SUPPORT FOR BILL#HB1476

I whole heartedly support this bill. This bill is needed and long overdue; to deny living people basic human rights is wrong and unjust. For a person to lose their life as an inmate; while under the what's supposed to be the state's care is just plain CARELESS. I could've lost a good friend and that thought hurts, along with the thought of people losing loved ones due to the states disregard of human beings. This bill has the full attention of my family and the support of us all.

Respectfully submitted,

Asia Wedlock
