Re: SUPPORT FOR BILL#HB1476

Dear Delegates,

This is a serious problem inside prisons. How people get health care should be treated the same whether you are in a prison or in society. It only makes sense that we treat people humanely no matter what they have done.

We need to make sure that the companies providing health care services are doing what they are supposed to be doing. We need to make sure that someone is making sure that the people in charge are telling the truth and not making it hard for people in prison to be healthy and get what they need.

Please vote Yes to pass the bill, HB 1476.

Respectfully submitted,

Stephanie Orm
