Re: Racing and Community Development Act HB 1056

Favorable to the Bill with Amendment

We have been residents and voters at our current address since 1967.

We have been close neighbors of the track thru all of it's various iterations. We can't think of Bowie without it.

Race Track Road traffic is already too heavy. Routes 197 and 450 also.

Of all the interested parties and proposals, our experience tells us to trust our own City of Bowie government as the best means of developing the property.

And how to provide the most benefit to the voters.

Please vote to pass the BILL With AMENDMENT.

Thank you for your efforts on behalf of the voters.
