Re: House Bill 1056

Delegate Valentino,

I urge the committee to accept the amendments that would give most of the Bowie Race Track property to the city of Bowie. I have been a resident of Bowie since 1987 and attended a Saturday meeting in January of this year where approximately 200 residents showed their support covering the topic of City of Bowie ownership.

Thank you for your continued outstanding involvement in Bowie.

Sincerely,

A handwritten signature in cursive script that reads "J. N. Roke".
