

**WRITTEN TESTIMONY FOR HB 1056 – Favorable to the Bill with
Amendment**

25 February 2020

To Ways and Means

Bill 1056

FAVORABLE with Amendment that the Ownership of the Racetrack comes to the City of Bowie.

I believe that with ownership of the Racetrack by the City of Bowie, our elected officials will look out for our local concerns. Turning ownership to any other entity (the State, County, Bowie State University, or a private concern) would result in the use of the property with little or no regard to the needs and desires of the residents of the City of Bowie.
