SENATE BILL 450 State Lakes Protection and Restoration Fund - Purpose, Use, and Funding - Sunset Extension (Edwards)

STATEMENT OF INFORMATION

DATE: February 10, 2021

COMMITTEE: Senate Education, Health and Environmental Affairs

SUMMARY OF BILL: SB 450 provides a five-year extension of the \$1 million annual mandated appropriation to the State Lakes Protection and Restoration Fund.

EXPLANATION: The \$1 million mandated appropriation amount in FY 2021 was reduced by 10% at the July 1, 2020 meeting of the Board of Public Works, resulting in a \$900,000 appropriation. The FY 2022 Budget fully funds the \$1 million mandate, and budgets the \$173,479 from the prior year fund balance for a total of \$1,73,479 in FY 2022.

The Department of Budget and Management's focus is not on the underlying policy proposal being advanced by the legislation, but rather on the extension of a \$1 million mandated appropriation that originally was a three year program.

DBM has the responsibility of submitting a balanced budget to the General Assembly annually, which requires spending allocations for FY 2022 to be within the official revenues estimates approved by the Board of Revenue Estimates in December 2020.

Economic conditions remain precarious as a result of COVID-19, making revenue predictions for the remainder of FY 2021 and FY 2022 highly volatile. Many individuals and households are unemployed or underemployed, with many industry sectors operating at much less than 100% capacity. Federal stimulus programs are providing much needed relief, but the impact of the COVID-19 pandemic continues to present a significant budgetary vulnerability.

The highest priority of the Administration is to work with the 2021 General Assembly in enacting the Governor's emergency Recovery for the Economy, Livelihoods, Industries, Entrepreneurs, and Families Act (SB 496/HB 612 RELIEF Act). The RELIEF Act provides \$1 billion in direct stimulus and tax relief for Maryland working families, small businesses, and those who have lost their jobs as a result of the COVID-19 pandemic. Senate amendments provide an additional \$520 million in funding.
