Dear Parents and Campers,

I hope everyone is doing well and staying safe. We are excited to announce that we will be running Summer Camp this year. We will have 3 locations in NW, DC, Silver Spring, Maryland and Arlington, Virginia. We will be following all COVID-19 safety guidelines and all of our staff will be vaccinated prior to the start of camp. Our registration website will open next week, **please do not register until next week**. Please mark your calendars as we will have limited spaces for each camp. We can't wait to see you all soon!

Respectfully,

Coach V
