Dear, Senator Carozza,

I am writing to oppose the proposal HB134. This proposed legislation would completely halt our tobacco sales and would cause most of our daily customer to travel the 20 minutes to provide the State of Virginia with tobacco sales that Maryland would otherwise be collecting. This would create job loss and cause a great economic impact to this already starving town of Crisfield. People will travel and ban together to go the extra mile to get their tobacco. This proposal would definitely help the State of Virginia if that is what you are trying to do? We greatly encourage you to not vote yes to this issue. Please feel free to contact me if you have any questions. 443-614-3841

Sincerely,

Hitesh Patel
