Chair, Education, Health, and Environmental Affairs Committee

Re: House Bill 801 – Calvert County – Public Safety – Buildings Used for Agritourism

Dear Chairman Pinsky:

As the two Senators representing Calvert County, we hereby state our support for House Bill 801 – Calvert County – Public Safety – Buildings Used for Agritourism. This local bill would exempt an agricultural building in Calvert County used for agritourism from obtaining a change of occupancy permit if the building's use of agritourism does not require it to be occupied by more than 200 people at any one time and the width of egress for the building meets specified building code standards.

This letter confirms the support of the Senatorial Delegation from Calvert County for House Bill 801. We would therefore respectfully ask for a favorable report from the Committee on this bill. Thank you for your attention to this important matter; please contact us if you have any questions.

Sincerely,
