Re: SUPPORT SB0475 (HB0325) Talbot County – Deer and Turkey Hunting – Sundays

Chairman and Members of the Committee:

Maryland bans, or otherwise limits, the sale of automobiles and other vehicles (Business Regulation Code Ann. §18–101), and the sale of alcohol (Alcoholic Beverages Code Ann. §11–102), on Sundays. Financial institutions must be closed on Sunday (Financial Institutions Code Ann. §5–704). Maryland is one of eleven states where hunting is still banned or otherwise restricted on Sunday (Natural Resources Code Ann. §10-410). Counties (and Baltimore) have avquired a variety of exemptions from some of these Sunday activity restrictions. Secular Maryland supports these exemption requests. We disagree with the state level Sunday activity restrictions.

Sunday is a special day of the week for many Christians. For other citizens the day of rest and worship may be Friday or Saturday, and for some citizens there is no god to worship or no fixed day of rest each week. Maryland law can be, and should be, more accommodating to this diversity of belief among its citizens. Legally banning business and leisure activity on Sundays favors a majority religious practice. Favoring a majority religious practice is not a proper goal of the laws. To the fullest extent feasible, our laws should accommodate minority religious practices along with non-religious and anti-religion beliefs.

The decisions regarding which day to hunt, to buy or sell alcohol, to buy or sell vehicles, to initiate and process financial transactions, etc., are best left to the citizens. State lawmakers can require one day off every week without specifying a particular day of the week by delegating that decision to the affected businesses. Hunting restrictions to accommodate horseback riding, hiking, and the like during the hunting season can be defined for particular hours throughout the week or rotated to different days for each week of the month instead of every Sunday.
