

**SOUTHERN MARYLAND
MINORITY CHAMBER OF COMMERCE**

TO MAKE A COMMUNITY A BETTER PLACE FOR ALL

February 1, 2021

The Honorable Paul G. Pinsky
Senate Education, Health, and Environmental Affairs Committee
2 West
Miller Senate Office Building
Annapolis, Maryland 21401

Dear Chairman Pinsky,

I am writing on behalf of the Southern Maryland Minority Chamber of Commerce (SMMCOC) to voice our support for **SB182 – State Finance – General Obligation Debt – Application of Minority Business Participation Goals**. As a regional voice for small, minority, women, and veteran owned businesses across Southern Maryland, we are very in tune with the struggles and hardships that many business owners in our communities face. For the last seven years, we have sought to protect the interests of these local businesses while promoting development and innovation across Calvert County, Charles County, St. Mary's County and Southern Prince George's County. As an all-volunteer foundation, the Covid-19 pandemic has been exceptionally hard on the SMMCOC and our members. Nevertheless, we have seen the promising growth our region has made in recent years, and we are hopeful that the State of Maryland will continue to protect small, minority, women, and veteran owned businesses.

MBE participation percentage goals have had a positive effect on our members, our region, and our state. The proposed bill would expand the MBE participation percentage goals to other state projects created by procurement through State debt. To continue the advancement of MBE involvement in our community, we are respectfully requesting the Committee's **FAVORABLE** consideration of the bill.

Sincerely,

Doris Cammack-Spencer
