Kumar P. Barve, Chair
Environment and Transportation Committee
Room 251
House Office Building
Annapolis, Maryland 21401

Honorable Kumar P. Barve, Chair and Members of the Committee:

In order to meet the state, federal and global CO2 emissions goals, the incentives provided by this bill will be foundational.

Maryland has been one of the national leaders in helping citizens move toward more health and sustainable transportation. This bill will help continue this trend and help make our environment cleaner for all.

Sincerely,

Simon Meyer
