

Committee: Senate Finance Committee

Bill Number: SB 923 - Maryland Medical Assistance Program – Eligibility and Disenrollment

Hearing Date: March 10, 2021

Position: Support

Moveable Feast supports *Senate Bill 923- Maryland Medical Assistance Program -- Eligibility and Disenrollment*. The bill extends Medicaid postpartum coverage from up to 60 days to 1 year after pregnancy. This bill stems from the *Report of the Senate President's Advisory Workgroup on Equity and Inclusion's* recommendation to extend Medicaid coverage for pregnant women until 12 months postpartum and provide care coordination and health literacy education for individuals as they transition from Medicaid coverage.ⁱ

We know that when pregnant women are faced with a chronic illness, the process of supporting themselves through a healthy pregnancy can be even more challenging. Moveable Feast serves people with a range of chronic health concerns, including gestational diabetes. It is critical that low-income women living with chronic illnesses get appropriate healthcare before, during and after giving birth.

Thank you for your consideration of our testimony, and we urge a favorable vote. If we can provide any further information, please contact Robyn Elliott at relliott@policypartners.net or (443) 926-3443.
