SB 521

Dear Chair Kelley, Vice Chair Feldman, and Members of the Finance Committee,

Graduate workers are fundamental to carrying out the purpose of any research university. They are the researchers and teachers that keep the university functioning. In any other context, workers doing this kind of mission-critical work would be considered employees. As such, they deserve the right to organize, so that they may secure workplace protections --- from sexual harassment, abuse, and retribution for raising concerns --- that ensure safe working environments elsewhere. To continually deny this right to a group that is an engine for innovation, intellectual leadership, and economic growth in this state is a severe moral failing.

Sincerely,
