

WMDA/CAR Service Station
and Automotive Repair Association

March 15, 2021

Chair: Delores G. Kelly
Members of Finance Committee

RE SB728 Labor and Employment - Worker Safety and Health - Injury and
Illness Prevention Program

This bill is costly for small business , especially when there is no problem now in
the retail sector. Creates requirements that are time consuming and not
necessary.

Please give SB 728 an unfavorable Report
