SB 521
Supporting

Dear Chair Kelley, Vice Chair Feldman, and Members of the Finance Committee,

I am a graduate student and graduate research assistant at the University of Maryland. I write to you today to urge your support on SB 521.

I support this bill because collective bargaining operates as an effective means to address cost of living and employment concerns. In absence of these rights, student employees are unable to formally and bindingly negotiate with the university to address labor and employment issues.

UMD's minimum graduate assistant stipend is lower than every single flagship campus except for the University of Nebraska, when compared with estimated cost of living. My fellow students and I are struggling under severe financial stress while fulfilling our study and work tasks.

If you have any further questions or need any additional information, please feel free to contact me at yhao@umd.edu.

Thank you for your time.

Yours sincerely,

Yeming Hao
