**HB 527- St. Mary's County Human Relations Commission – Equal Treatment  
SUPPORT**

Dear Chairman Pendergrass,

HB 527 amends the language of the St. Mary's County Human Relations Commission, by removing specifically named groups, and stating simply:

"The Commission shall: encourage and ensure equal treatment of all people in compliance with Federal, State, and local law and regulations related to housing, employment, and public accommodations."

The St. Mary's County Board of County Commissioners support this bill, and the St. Mary's County Delegation supports HB 527 by a unanimous vote. We ask that the committee give HB 527 a favorable report.

Thank you for your consideration.

Best Regards,
