RE: House Bill 183 – Public Information Act – Revisions – Letter of Concern

Dear Chair Pendergrass and Committee Members:

The Maryland Board of Professional Counselors and Therapists (the “Board”) is submitting this letter of concern for House Bill (HB) 183, Public Information Act – Revisions.

This bill requires that the Board publish an annual report of Public Information Act (“PIA”) requests on its website. The Board currently does not maintain a tracking log of its PIA requests. Additionally, this bill decreases the response time for Board staff to adequately respond to PIA requests. The PIA is already restrictive and this bill will create additional restrictions for overburdened staff.

Thank you for your consideration of the Board’s concerns regarding HB 183. The Board respectfully asks that you strongly consider this information and urges an unfavorable report on HB 183. If you have questions or need more information, please contact Danielle Vallone, Acting Executive Director, at 410-764-4734 or Danielle.Vallone@maryland.gov.

Sincerely,

DANIELLE VALLONE

Danielle Vallone
Acting Executive Director
