

House Bill 535 - Maryland Sign Language Interpreters Act
sponsored by Delegate Acevero

Madam Chairperson and Members of the House Health and Government Operations Committee:

My name is Paige Crofton. I am a student in Sign Language Interpreting and live in Crofton, MD. I am writing this testimony to ask you to support **HB535 - Maryland Sign Language Interpreter Act of 2021** sponsored by Delegate Acevero.

I am in my senior year of college about to graduate with a degree in Educational Interpreting. This is so important for my future career as an interpreter. I am a proud ally and stand with the Deaf community!

This bill would require licensure for sign language interpreters working in the state of Maryland and help to ensure that members of the Deaf community have access to qualified interpreters. When unqualified interpreters are allowed to work unchecked, the impact on the communities they serve can be a matter of life or death. This bill provides both a mechanism for licensing interpreters and a means for relief in the form of a grievance process.

As a constituent, I ask you to please support HB535.

Sincerely,

Paige Motley
