

Support Senate ~ HB 0997, Equal Protection for Unborn Human Life Act,

March 17, 2021

Brigitta Mullican, 1947 Lewis Ave, Rockville, MD 20851-District 17

Dear Delegate Metgar and Health and Government Operations Committee,

Please support Senate Bill HB 0997 Equal Protection for Unborn Human Life Act,

This Bill will provide for the equal protection of pre-born human beings in Maryland.

All lives should be protected. I believe every Legislator should be protecting the right to live. Every life is precious. Each of us is alive because a loving mother gave birth and protected us.
