

Vote UNfavorable for HB1323

vince mcavoy po box 41075 baltimore md

Reject The Great Reset.

Urge T. Hill to withdraw this bill.

People also ask :

How many jobs will Ai destroy? ^

30 million

That automation **will** displace **jobs** and likely increase economic inequality, however, is treated as an uncontestable destiny. "Over 30 million U.S. workers **will** lose their **jobs** because of **AI**," reads a typical headline on the subject—and proposed solutions like reskilling implicitly accept this fate.
