RE: **SUPPORT FOR HB 736** – Interstate Licensed Professional Counselors Compact

Dear Chairperson Pendergrass and Distinguished Members of the Health and Government Operations Committee:

I want to thank you for taking my written statement of support for HB 736 on the “Counseling Compact” to be entered into the public hearing record. My name is Jason Quarantillo and I am a Professional Counselor who resides and practices in Harford County, MD.

This Compact is important to me because telebehavioral health services have become such a valuable way of supporting clients in need and increasing access and availability would be a valuable step. Being able to continue to provide support even in the situations where clients have crossed state lines makes a lot of sense when the well being and best interest of the client is in mind.

Much like existing licensure compacts for nurses, physical therapists, physicians, psychologists and EMS personnel, the Counseling Compact will increase licensure portability for practitioners while allowing state regulatory boards to better protect consumers through enhanced sharing of licensure information.

The Counseling Compact will benefit those in need of critical lifesaving mental health support and counselors by:

- Enhancing mobility for counselors who meet uniform licensure requirements;
- Increasing access to care for clients;
- Ensuring continuity of care when clients or counselors relocate or travel to other states;
- Allowing military personnel and spouses to easily maintain certifications when relocating;
- Preserving and strengthening the current system of state licensure.

The Counseling Compact preserves each state’s authority to regulate the profession. It does not alter scope of practice or impact state practice law. Counselors utilizing the Compact must abide by the laws and rules of the state in which they are practicing, including adhering to that state’s scope of practice.

I strongly urge you to support this Counseling Compact.

Sincerely,
Jason Quarantillo, LCPC
