

BILL NO: Senate Bill 413
TITLE: Maryland Legal Services Corporation Funding – Abandoned Property
COMMITTEE: Budget and Taxation
HEARING DATE: February 2, 2021
POSITION: **SUPPORT**

The Maryland Network Against Domestic Violence (MNADV) is the state domestic violence coalition that brings together victim service providers, allied professionals, and concerned individuals for the common purpose of reducing intimate partner and family violence and its harmful effects on our citizens. **MNADV urges the Senate Budget and Taxation Committee to issue a favorable report on SB 413.**

Senate Bill 413 requires the distribution from the State’s Unclaimed Property Fund to the Maryland Legal Services Corporation (MLSC) to increase from 2 million to 8 million. MLSC is the organization that makes grants for the provision of civil legal services to low-income Marylanders. Many of the service providers that comprise MNADV, provide critical legal services to victims of domestic violence. These victim service providers rely on MLSC funding to offer legal representation for domestic violence victims. Representation is critical in ensuring victim’s safety with one study finding that 83 percent of victims represented by an attorney successfully obtained a protective order, as compared to just 32 percent of victims without an attorney.¹

MLSC funding has been significantly impaired by the COVID-19 pandemic while the needs of victims of domestic violence have increased. The increase in funding in SB 413 will help avoid a further reduction in MLSC funding and allow MLSC and the legal service agencies that it supports to continue to provide critical legal services. These legal service agencies include many victim service providers for survivors of domestic violence who provide critical representation including assisting victims in obtaining protective orders against their abusers.

For the above stated reasons, the **Maryland Network Against Domestic Violence urges a favorable report on SB 413.**
