

**SOUTHERN MARYLAND
MINORITY CHAMBER OF COMMERCE**

TO MAKE A COMMUNITY A BETTER PLACE FOR ALL

February 1, 2021

The Honorable Paul G. Pinsky
Senate Education, Health, and Environmental Affairs Committee
2 West
Miller Senate Office Building
Annapolis, Maryland 21401

Dear Chairman Pinsky,

I am writing on behalf of the Southern Maryland Minority Chamber of Commerce (SMMCOC) to voice our support for **SB175 – Procurement - Performance and Payment Security - Requirements and Limitations**. As a regional voice for small, minority, women, and veteran owned businesses across Southern Maryland, we are very in tune with the struggles and hardships that many business owners in our communities face. For the last seven years, we have sought to protect the interests of these local businesses while promoting development and innovation across Calvert County, Charles County, St. Mary's County and Southern Prince George's County. As an all-volunteer foundation, the Covid-19 pandemic has been exceptionally hard on the SMMCOC and our members. Nevertheless, we have seen the promising growth our region has made in recent years, and we are hopeful that the State of Maryland will continue to protect small, minority, women, and veteran owned businesses.

The proposed legislation allows certain businesses and contractors to provide performance and payment bonds only on direct contract awards. To protect the interests of our members, we are respectfully requesting the Committee's **FAVORABLE** consideration of the bill.

Sincerely,

Doris Cammack-Spencer
