

Support HB0846 Public Health - Abortions - Prenatal
Diagnosis of Down Syndrome

March 17, 2021

Brigitta Mullican, 1947 Lewis Ave, Rockville, MD 20851-
District 17

Dear Delegate Cox and Health and Government
Operations Committee,

Please support HB 468 Public Health - Abortions -
Prenatal Diagnosis of Down Syndrome

This Bill will provide for the equal protection of human
beings in Maryland.

All lives should be protected. I believe every Legislator
should be protecting the right to live. Every life is precious.
Each of us is alive because a loving mother gave birth and
protected us.
