Testimony in support of SB0234

Personal Information - State and Local Agencies - Restrictions on Access

To: Hon. William Smith, Chair, and members of the Senate Judicial Proceedings Committee

From: Jerry Kickenson and Martha Wells, Congregation Action Network

Date: January 28, 2021

We are writing in **support of Senate Bill 0234**, Personal Information - State and Local Agencies - Restrictions on Access, on behalf of the Congregation Action Network. The Congregation Action Network is a network of faith communities in Washington, DC, and the Maryland and Virginia suburbs acting in solidarity to end detention, deportation, profiling, and criminalization of immigrants and demanding and upholding justice, dignity, safety, and family unity. With over 75 congregations and a thousand members throughout the capital area, including over 25 congregations with thousands of members in Montgomery and Prince George's counties, we live our faith in advocacy for and solidarity with our immigrant neighbors.

As people of faith committed to ending the detention and deportation of immigrants, we adhere to the sacred texts of most major faiths that call for welcoming the stranger and treating each other with love, dignity, respect, and compassion. We believe in liberation and that immigrant families should be united and free - never incarcerated.

SB0234 would prohibit MVA, as well as state and local law enforcement agencies, from sharing personal data with federal agencies for civil immigration enforcement, and for criminal immigration enforcement without a judicial warrant. It would also require public reporting of all such requests.

We strongly urge you to reach a favorable report for HB0016. It will protect the privacy of all Maryland residents, and help protect our immigrant neighbors residing in Maryland. It is the moral and right thing to do.

Respectfully yours,

Jerry Kickenson
