

Dear Senators,

My name is Jianning Zeng, a PhD in astrophysics, a proud, legal immigrant, a resident in Maryland for about 20 years, and I am here against the Sanctuary bill SB0088 in Maryland. SB0088 will label our state as a Sanctuary County and hence a destination of choice for illegals to come, impacting our public safety.

Yes, my biggest concern is public safety. Now those politicians want to remove SROs from our public schools, cancel county contracts of detention centers with ICE, even don't allow our local police officers working cooperatively with ICE, but welcome those illegal aliens to our state. It's not acceptable. The senators who support SB0088, What do you really want to do to our county? If you welcome those illegal aliens, you are breaking our immigration laws, you are betraying your own state citizens by putting illegal aliens FIRST and county citizens LAST! This is called treason! I heard so many tragedies happened in Montgomery County. You will be fully responsible for all lives lost in those angel families.

Law enforcement officers are on the front lines, dealing with crime associated with illegal ALIENS, including drug- and gang- related crimes. Sanctuary practices result in dangerous criminal aliens being released back onto the streets instead of being removed.

Sanctuary practices pose a public safety and national security threat. By impeding cooperation with federal immigration officials, sanctuary cities create an environment where would-be terrorists and other criminal aliens can go undetected and uninterrupted.

Sanctuary county, providing a "safe haven" for illegal aliens, is unfair to legal immigrants who respect our nation's laws.

Again, Senators should not put Howard County residence personal life and properties under danger and threat by harboring illegal alien criminals.

If Any of our county residents become a victim like one of the angel families, you should feel Guilty and ashamed because you pass this terrible bill.

So dear councilmen and councilwomen, please vote NO to SB0088.

Jianning Zeng
