Josey capped her high school career by leading The Band of Blue in the 251 st Patrick's day parade in New York City . she then went on to attend college and worked. after a few years my daughter was in a career that she enjoyed. she puts off a husband and children because she has plenty of time for that... and having just being promoted and just having turned twenty five years old, she kisses her dad and leaves to celebrate with her friends. And then she walks out the door and never returns. I would ask the committee what if this was your child would two and a half years even scratch the surface of your pain and loss ?
