

Karol Gutierrez, Testimony in SUPPORT of HB304

State and Local Government - Participation in Federal Immigration Enforcement
House Judiciary Committee

February 4, 2021

Dear Committee Members:

My name is Karol Gutierrez and I live in District 39. The family is the foundation of society and that is why I cordially request the approval of the Trust Act. I have a 12 year old son who depends only on me. We came to this country in search of opportunities and in search of the freedom this country offers. I want to have the confidence that my rights are respected and that I can go to the police for protection without being afraid that they will share information with ICE who may deport me, leaving my son alone. I believe that love for the family allows this law to protect us and keep the family together.

Sincerely,

Karol Gutierre, District 39
