

**Yuliana M., Testimony in SUPPORT of HB304**

State and Local Government - Participation in Federal Immigration Enforcement  
House Judiciary Committee

March 3, 2021

Dear Members of the Committee:

My name is Yuliana M. I want to share with you my worries about immigrant access to the police. I live in Windsor Mill in Baltimore County. I support the Trust Act, because we want to live in peace and not be afraid that if we have an emergency and call the police that they will then call ICE. We are immigrants, not criminals. We came here to work to give a better life to our families, especially to our children who are here studying to be someone in life.

We pay taxes like all Americans. We work hard to bring food to our house. We don't want to go through the same thing that others have experienced being separated from their children, especially us single mothers. We are the only people that our children have. We don't want to be separated. That's my biggest reason to ask you, Mr. Benjamin, to say "YES" to the Trust Act. Thank you.

Sincerely,

**Yuliana M., Baltimore County**
