

Support with Amendment
Senate Bill 105 – Peace Orders – Workplace Violence
House Judiciary Committee
April 1, 2021

The Maryland Nurses Association (MNA) strongly supports *Senate Bill 105 – Peace Orders-Workplace Violence*. The bill would establish a mechanism for employers to file peace orders on behalf of their employees to prevent workplace violence. MNA asks for an amendment to conform the Senate bill to its House crossfile.

Addressing workplace violence is MNA's top priority. We have heard from countless Maryland nurses about the impact of workplace violence on their professional and personal lives. We believe that it is an epidemic, and the statistics support this conclusion. According to the Occupational Safety and Health Administration, 21% of nurses reported physical abuse, and this number is low because of underreporting. Surveys show that 30-50% of events are never reported in writing.ⁱ

We have partnered with the Maryland Hospital Association to form the Workplace Violence Prevention Collaborative. The goal of the collaborative is to identify and promote best practices in preventing and addressing workplace violence incidents. We have begun a rigorous initiative to identify those best practices.

We have identified that nurses and other health care employees are afraid of reporting any workplace violence incidents to law enforcement and the legal system. Over and over again, we have heard that nurses and their health care colleagues cannot shoulder the burden of navigating the legal system to file peace orders, as they are often traumatized after a workplace violence incident. This bill lifts that burden from them by allowing their employers to file a peace order.

It is important to note that twelve states have already enacted similar legislation: Arizona, Arkansas, California, Colorado, Georgia, Illinois, Indiana, Maine, North Carolina, Nevada, Rhode Island, and Tennessee.

We urge a favorable vote with an amendment to conform the bill to the House crossfile. If we can provide any assistance with this legislation, please contact Robyn Elliott at (443) 926-3443 or relliott@policypartners.net.
