

HB200: Access to Firearms – Storage Requirements

Name: Kenneth C. Gross
4713 Knapp Court
Ellicott City, MD 21043
grossken21043@gmail.com
410-258-8781

Position: OPPOSE

Passage of HB200 affects me personally. It is so vague in use of the term “could” rather than “would” that it would make me and every other gun-owning Maryland citizen a criminal. It is essentially impossible to comply with and would therefore subject me to discriminatory enforcement.

HB200 is draconian, impossible to comply with, and it is unconstitutional.
