RE: House Bill 283

Dear Delegate Reilly:

Per the request of the delegation assistant, Ms. Cynthia Robichaud, this will serve as a clarification of my letter to you of February 8, 2021 regarding the above referenced bill. In the former letter I advised you that at its meeting of February 8, 2021, the Harford County Board of Education, the Board unanimously passed a motion that it supported HB 283 as posted on the Maryland General Assembly website in January 2021 and that it strongly opposed any type of substantive changes that takes away from the original intent of the bill as posted in January.

My above referenced letter should have stated that the Board unanimously passed a motion that it supported House Bill 283 as amended by Delegate Theresa Reilly and that it strongly opposed any substantive changes that takes away from the original intent of such amended bill.

Please advise me if you have any questions regarding the above.

Sincerely,

Jansen Robinson
Board President, Board of Education of Harford County
