

**HB 1089 – Primary and Secondary Education – Expansion of Mental Health Services and Prohibition of School Resource Officers  
(Police Free Schools Act)  
Hearing before the House Ways and Means Committee  
March 3, 2021**

**Position: SUPPORT**

**EndRacismFCPS** is an organizing group that recognizes that there is no inclusive education without explicitly anti-racist education. We must be anti-racist and uplift education that promotes and empowers people of all ethno-racial backgrounds and identities. In this effort, we are centered around uplifting Black voices of students, alumni, parents, teachers, and other affiliated community members who directly experienced horrific racially-charged actions in FCPS. As we recognize that racism is manifested through explicit actions as well as implicit biases, we also uplift the voices and experiences of those members of the community who may never have seen themselves represented in curricula, educational field trips, or their teachers. Our efforts are informed by the present just as much as they are informed by the past.

We do not support SROs in the school setting. We sent a form to our constituents to show support for HB 1089. Their signatures and names are included here. Please email us at [EndRacismFCPS@gmail.com](mailto:EndRacismFCPS@gmail.com) for access to this form for confirmation.

**List of Form Signees:**

First and Last Name	Email Address	Mailing Address
Jacqueline Brinkmann	jacquelinebrinkmann3@gmail.com	317 North Bentz St. Frederick, MD 21701
