## **HB 559 Baltimore County - Property Tax - Homeowners' Property Tax Credit Supplement**

- This bill will increase the income limits for the Homeowner's Property Tax credits in Baltimore County It has not increased since 2006.
- With inflation, we are seeing less and less people eligible as income levels are rising but income levels remain.
- This raises the maximum gross income level from \$60,000 to \$72,000 to qualify for this tax credit.
- With the effects of COVID-19, we need to help our homeowners
- This might appear to be a loss in revenue for local government but we need to put more money in the pockets of our constituents in Baltimore County.
