

To whom it may concern:

I strongly oppose HB -57 for several reasons but the most dangerous provision being that **allows Absentee (or mail-in) ballots to be POSTMARKED THE DAY AFTER ELECTION DAY**. We should be learning from this last election cycle that we need more credibility in our election process and Election results posted on Election Night or the following morning would allow a candidate/slate/Party to know how many votes they need to change the result of the election and have time to get then postmarked and counted AFTER THE CLOSE OF THE POLLS. This will bring about even more distrust in the process and should not be allowed.
