

I do NOT support HB0774. Why are you encouraging socialist ideals for our state? Universal income, really?!! Please encourage our Marylanders to GET A JOB in order to earn income. If income is handed out, no one will have the incentive to work, and our economy and businesses will continue to suffer as they are currently. Not to mention, this will undoubtedly increase taxes for people like me who do go to work to earn a living. This is not a socialist or communist state or country and you should not be introducing bills that encourage these ideals. UNFAVORABLE for HB0774.
