RE: HB 1019 Transportation – Elderly and Handicapped Transportation Service -County Funding
Letter of Support

Dear Chairperson McIntosh and Members of the Appropriations Committee:

The County Council of Cecil County unanimously supports HB 1019 Transportation – Elderly and Handicapped Transportation Service -County Funding, which has been scheduled for a committee hearing on March 8, 2022.

This legislation will provide funding for elderly and handicapped persons in Cecil County, who represent a substantial number of our citizens. Currently, Cecil County must limit transportation requests because of the greater demand. Many of the transportation requests related to medical appointments and to rural residents who no longer have their own transportation.

The Cecil County Council respectfully requests that the Appropriations Committee consider a favorable report on HB 1019.

Sincerely;

Robert Meffley
Council President
