

Dear Chair and House Committee Members,

Please oppose HB 1278, Interjurisdictional Policing Grant Program. Most of the crime in Maryland is in specific areas and rarely in interjurisdictional areas. And we don't know how often it happen. Therefore, we don't have to keep a specific fund for that.

Therefore, I am unfavorable to the bill HB 1278.

Please oppose this bill.

Respectfully,

Wei Yan

Maryland resident
