RE: Support of HB 1225

Submitted to the Maryland House Appropriations Committee on March 4, 2022

My name is Leann Keller. I have been an employee of Harford County Public Library for almost 8 years now. My love of working in public libraries empowered me to pursue my master's degree in Library and Information Science which I earned in May 2020. Unfortunately for the tax payers of Harford County, I am unable to use my degree since I have been retaliated against by library management for reporting a hostile work environment. Please protect my rights and support HB 1225. This pathway to unionization will enable a better library system for my fellow coworkers and for the citizens of Harford County.

Thank you,
Leann Keller, MLIS
