RE: Support of HB 1225

Submitted to the Maryland House Appropriations Committee on March 4, 2022

Dear Members of the Appropriations Committee,

I am in support of HB 1225 and hope you are too. Maryland public library employees should have the same access as other state and county employees to the collective bargaining process. Since similar bills providing access have already been passed for other Maryland counties, please do the same for Harford County.

Thank you for your consideration.
