My Written testimony for SB0403 – Corporations and Associations – Annual Reports Fees for Electronic Filings. I'm in favor to remove the \$300.00 annual cost.

HB409: The fee of \$300 per year is way too high and poses a burden on business who are already struggling to make ends meet. This fee should be discontinued and if not changed to a zero balance, should at least be a flat fee of \$50.00 per year.
