

# UNfavorable – HB0182

vince mcavoy po41075 baltimore md

Dear Senators,

This is the 2nd time I've advocated against this bill.

The bill first caught my eye because it contained the term "rebuttable presumption";

this is the term Sen. Jill Carter offered the House in her 2011 bill, HB1132.

<https://mgaleg.maryland.gov/mgaweb/legislation/Search/Legislation?target=/2011rs/billfile/hb1132.htm>

As most of you are aware, I'm a little familiar with such legal concepts.

As applied in the sponsor's bill HB0182 in 2021, this was an outright lie, which I mentioned in

HGO testimony. In 2022, I applauded the sponsor from removing that overt and bold-faced lie

from the bill in my oral testimony, unfavorable on this HB0182. **But this bill is still**

**perverse with graft, lies and inappropriateness.**

I urge an UNFavorable on HB0182.

I refer to you the host of those who testified as UNFavorable on this bill in the House HGO.

In House HGO, a few delegate members openly tried to dismiss unfavorable discussion and to censor speech regarding the real-world issues surrounding this gross and awkward concept.

For instance, how does one verify belonging to this "club"? The other "club members"?

That very point was raised in this UNFAVORABLE testimony in the House HGO hearing along with the requisite bias AGAINST heterosexual business owners.

That testimony highlights how this bill would set aside this "club", this LGBTQP "cluster", as special insider recipients of State contracts.

I personally spoke to the issue of using such graphics details being below the State's dignity...

to enter in to FINANCIAL issues regarding who/what one has sexual activity with.

Finally, as I proffered to House HGO committee, here is the written testimony regarding LGBTQpedophilia that I referenced. Not one delegate asked for insights or data -- some even harassed me and censored my testimony. I can't recall that happening -- not even a handful of times - in the 10 years I've been in front of you. It's nazi-like behavior.

At the bottom of that testimony, you'll see links to articles. These aren't my articles. This isn't anything that we as parents collect. **This is simply what made the news between your 2021 Session and your 2022 Session.** Here are the links contained in that testimony.
