Re: Support of SB0378 – Tri-County Council for Southern Maryland - Funding for Southern Maryland Agricultural Development Commission

My name is Chip Bowling, and I'm a fifth generation Southern Maryland Farmer, and a member of the U.S Farmers & Ranchers Alliance Board of Directors. I am writing to you in strong support for SB0378 Tri-County Council for Southern Maryland - Funding for Southern Maryland Agricultural Development Commission. The bill is asking for an annual budget of \$900,000 from the Cigarette Restitution Fund (CRF) to be funded to the Tri-County Council of Southern Maryland for their SMADC department (TCCSMD/SMADC). The CRF fund is part of the Master Settlement Agreement (MSA) that comes into the state every year in perpetuity. SMADC currently receives \$900,000 from that fund, however it is due to sunset soon; this bill would ensure that SMADC continues to receive funding from the continual non-lapsing CRF fund.

For many years now, SMADC has utilized the CRF fund to help farmers transition out of tobacco production and into other sectors of agriculture. SMADC has a proven track record in providing valuable assistance, programs, and grant funds to the farming community, as well as being a valued partner to other ag industry organizations such as the Maryland Farm Bureau, MARBIDCO, the Maryland Department of Agriculture, and others.

Funding SMADC is crucial because:

- SMADC serves 2,011 farms on 205,000 acres in the five county Southern Maryland area; Anne Arundel, Calvert, Charles, Prince George's, & St. Mary's Counties, and maintains several statewide agricultural programs now as well.
- In FY22, with only \$900,000 in operating funds provided by the State to run the organization, SMADC proceeded to bring an additional \$1.3 million dollars into Maryland via non-state funding for programs and grants supporting the Maryland farming & small business community. SMADC is a good investment for the state.
- SMADC is currently in the process of building a \$4.7 million dollar Regional Agricultural Center (RAC) that will transform the agricultural business economy in Southern Maryland and beyond.
- SMADC's Maryland Market Money Program serves 550 local producers and 46 farmers markets statewide, providing over \$449,000 worth of fresh food to low income families.

I encourage you to support SB0378, thank you for your consideration in this matter.

Best Regards,
