

Good afternoon,
To whom it may concern. I have been facing hardship as a business owner after losing my spouse Solomon okoroh to gun violence in addition to losing my dearest mother this past August. On top of the pandemic struggles it is a lot for one to bare & handle. Please extend grace, it has not been easy to operate but by God's grace we are here. We need help.

Thank you for this opportunity.
God bless.

Patience okoroh
